

Q MICROWAVE

An AS9100 / ISO9001 Certified Supplier

Integrated Filter Product Line

- Collaborative Design Approach*
- Seamless Impedance Matching
- Enhanced Performance
- Reduced Size & Parts Count

An Evolution in Filter Design

Q Microwave Offers:

- Optimal Performance
- Integrated Filters
- Q Matching
- Micro-Strip &
• Surface Mount Technology

The Competition:

- 50 Ohm Load Testing Only

***Working with your Engineering to integrate our Filters into your Design; Developing innovative integrated Filter solutions to achieve optimum system performance.**
